

Programme on Financial Intelligence for Public and Corporate Officers (September 22 - 26, 2025)

Administrative Staff College of India
(accredited as उत्कृष्ट by Capacity Building Commission, GoI)

PROGRAMME OVERVIEW

Financial intelligence is a critical skill for effective decision-making in today's dynamic and interconnected governance and business landscape. As officers of the public and corporate sectors advance in their careers, understanding, interpreting, and leveraging financial data is essential for driving organizational efficiency, achieving policy objectives, and ensuring fiscal responsibility.

This programme, aligned with the **Karmayogi functional competency framework in Financial Management**, is designed to enhance the financial acumen of non-finance professionals, empowering them to make informed decisions that contribute to organizational success. Participants will develop key competencies such as:

- Strategic budgeting and financial planning.
- Financial decision-making and data-driven analysis.
- Comprehensive understanding of financial statements for performance evaluation.
- Risk identification, mitigation, and compliance adherence.

IMPACT

1. Gain a robust understanding of financial concepts and tools, enabling informed decision-making.
2. Strengthen capabilities in strategic budgeting, cost control, and financial planning aligned with institutional goals.
3. Acquire proficiency in analyzing financial statements to assess the financial health of projects and organizations.
4. Enhance their ability to identify and mitigate financial risks while ensuring compliance with regulatory standards.
5. Utilize financial data effectively for planning, budgeting, and forecasting initiatives.
6. Develop insights into evaluating projects and programs' financial viability and performance to support strategic outcomes.

COURSE CONTENT

Day – I

Begin with an introduction to core financial concepts, focusing on strategic budgeting and cost control to establish a solid basis for informed decision-making.

Day – II

Explore comprehensive financial statement analysis, learning to interpret Profit & Loss, Balance Sheet, and Cash Flow Statements while monitoring key performance indicators.

Day - III

Delve into data-driven financial decision-making frameworks and strategic budgeting practices, enabling effective resource allocation aligned with organizational goals.

Day - IV

Examine the fundamentals of risk management, including risk identification, mitigation strategies, and compliance adherence, to safeguard fiscal responsibility.

Day - V

Conclude with sessions on monitoring and evaluating projects, enhanced by participant presentations, self-assessment exercises, and actionable plans, reinforced by access to additional resources.

FACULTY AND METHODOLOGY
