Sustainable Development Goals
and Good Governance
(February 09 - 11, 2026)**

Administrative Staff College of India
(accredited as उत्कृष्ट by Capacity Building Commission, GoI)

PROGRAMME OVERVIEW

This MDP is designed to empower policymakers, corporate leaders, and development professionals with the knowledge and tools to integrate the Sustainable Development Goals (SDGs) into governance frameworks. The programme explores the critical link between good governance, policy effectiveness, and sustainable development, emphasizing practical strategies for implementation. Through expert-led sessions, case studies, and interactive workshops, participants will learn how to align governance models with SDG targets, enhance transparency, foster stakeholder engagement, and measure impact. The programme equips leaders to drive inclusive, accountable, and sustainable development in their organizations and communities.

IMPACT

The MDP will enable participants to gain an insight into:

- How to align governance strategies with the Sustainable Development Goals (SDGs) **agenda and help in measuring the impact.**
- Strengthen policy formulation and execution to address sustainability challenges.
- Apply best practices in transparency, accountability, and participatory governance for equitable development.
- Develop SDG-focused frameworks for public and private sector initiatives.
- Build networks with peers and experts to foster cross-sector collaboration on sustainability.
- This program will empower leaders to bridge policy gaps, enhance institutional effectiveness, and accelerate progress toward the SDGs through better governance.
